## City of Moraine Resident Cards Residency has many benefits!

A resident is anyone who resides in the corporate limits of the City of Moraine. Even though you pay City of Moraine taxes or live in the Moraine zip code area, you may not be a resident. If you have a residency question, please call 535-1030.

Effective since January 1, 2007, a resident card is available for purchase at the Payne Recreation Center, during membership room hours only. This card will allow a resident to purchase a daily admission to the Payne Recreation Center or Splash! Moraine at the resident rate. This will be your proof of residency for daily admission, season passes, facility reservation and/or program registration. A resident card is \$2 each, \$5 for a family of four or more.

At the time of purchase, proof of age and two proofs of residency (driver's license/state identification card, current water bill, other current utility bill with a Moraine address) are required.

Individuals under the age of 16 years old must be accompanied by a parent or guardian and present a birth certificate (if not already on file) at the time of purchase.

If you have any questions or concerns, please contact the Recreation Center office at 535-1060.

## Project Safe Place

There are times when a young person needs a safe place to stay as he or she tries to work out problems. Daybreak provides these youths with short term emergency shelter, food, and support while the staff works with them and their families to resolve the crisis at hand.

Project Safe Place is an outreach program set up by Daybreak. For many young people, reaching a "Safe Place" is the first step toward finding shelter and help from Daybreak.

Daybreak is the Miami Valley's only 24-hour crisis and emergency shelter for runaway and homeless youth. Daybreak provides counseling, shelter, and aftercare programs to youths ages 10-17. Daybreak reaches over 5,000 area youth by providing services and programs.

There are several Safe Place locations in Moraine. All three Moraine Fire Stations, as well as Payne Recreation Center and the Gerhardt Civic Center, are safe places, with staff trained in procedures on getting youths in touch with Daybreak while keeping them in a safe environment. Moraine Fire Stations are open 24 hours. Look for the "Project Safe Place" signs.

Emergency help can be obtained by calling Daybreak at 937-395-4600.

The American Red Cross has restructured their swim lesson program to incorporate recent research. The City of Moraine Parks and Recreation is proud to be able to offer this cutting edge material for our participants.

Please read the descriptions for each class. Your child may not have "mastered" all of the skills of the level they were enrolled in before summer. Please remember that each child progresses at their own rate, and should not be rushed. It is very normal for a child to have to take the same level over several times before mastering all of the skills. Prematurely advancing your child will be detrimental not only to them but to the others if skills which were necessary are not proficient.

## American Red Cross Infant and Preschool Aquatic Program

Campers ages 6-13 yrs. will participate in age appropriate activities and peer relations while enjoying fitness activities, structured games, arts & crafts, swimming, and field trips. Each camp will have one field trip and two swim days at Splash! Moraine.

### General Information

Camp Locations: Payne Rec. Center  
Gerhardt Civic Center

Camp Hours: 9:00 a.m. - 4:00 p.m.

There are two camps at each site. Children are divided and registered by age groups.

| Camp Fees            | Resident*     | Non-Resident  |
|----------------------|---------------|---------------|

| Additional Child Fee | \$20 per week | \$50 per week |
| Registration Fee     | \$5 per week  | \$10 per week |

At the time of registration, all registration fees must be paid in full. Camp fee includes one camp T-shirt, and all field trips. Please check availability of spots before coming in to register your child - many weeks of camp are already full.

### Camp Extended Care Program

## Payne Recreation Center Class Descriptions

### Cardio/Sculpt

**Monday & Wednesday 9:30 a.m.**  
Like variety? This is the class for you. Each class consists of 25 minutes of cardio exercise presented in various ways, such as step, Zumba, ball, etc. After your heart has had a work out, your muscles will be challenged by 25 minutes of resistance work, utilizing different pieces of equipment. Instructors will tailor the class to meet the needs of all levels of fitness. A great all over workout in just 60 quick minutes.

### Lunch Workout 11:30 a.m.

No time to work out before and after work? Join us during your lunch time! We are offering 2 different classes Monday through Thursday. On Monday and Wednesday join us at 11:30 for Zumba. This class is an excellent way to exercise and have fun. Tuesday and Thursday's enjoy Functional Strength. Class is a great way to tone and strengthen muscles AND burn more calories not only during class but after your workout also.

### Killer Floorwork

**Tuesday & Thursday 5:30 p.m.**  
Want to use more calories at rest? The only way to do that is to build more muscle. The focus of this class is to assist you in obtaining a physique that others would "kill" for. Using different pieces of equipment to aid in making class fun, the instructors will work only on shaping and improving muscle mass. Women, you will NOT become muscle bound, but will be very pleased with how your clothes fit for those summer parties right around the corner.

### Zumba

**Saturday 10:00 a.m.**  
ALL AGES AND ABILITIES ARE WELCOME. Don't be left out in the cold, come and join the newest fitness craze to hit the Miami Valley! Zumba is a mix of movements from Latin dances and music. It is equal part dancing and aerobics and will burn between 500 and 700 calories per class.

### Cardio Kickboxing

**Tuesday 6:30 p.m.**  
Back by popular demand!!! This is an excellent class that provides the heart-healthy benefits of cardio exercise, while offering gains in agility, strength, balance and coordination that can be achieved through martial arts training. No prior experience is necessary.

### Schedule Changes

For our summer session, there are a few aerobic class changes. Please make sure you note the times of your favorite class so you don't miss it. Don't forget, fitness doesn't take a vacation in the summer – we love to see you.

### Mat Pilates

**Wednesday 6:30 p.m.**  
Pilates is a technique designed 70 years ago by Joseph H. Pilates. Instead of the "fast" pace of a regular exercise class, Pilates focuses on improving flexibility and strength in a slow and controlled manner. This class incorporates the body-mind connection helping you focus on muscle, and their use.

### 20/20/20

**Saturdays 9:00 a.m.**  
Want to get a total body workout in one class? 20/20/20 is designed to give you 20 minutes of cardio exercise, 20 minutes of sculpting and 20 minutes of core conditioning/stretching. Kick start your weekend with this fun class.

ALL CLASSES ARE DESIGNED FOR BEGINNERS TO ADVANCED. PLEASE LET THE INSTRUCTOR KNOW YOUR LEVEL AND THEY WILL BE GLAD TO ADJUST THE WORKLOAD TO FIT YOUR ABILITY.

### Lunchtime Aerobic Classes 11:30 a.m.

Do you work in the area? Maybe belong to another gym but would really like to make your lunchtime productive? Come join us for lunch! On Monday and Wednesday's we offer an action packed ½ hour of Zumba. Balance out your workouts on Tuesday and Thursday's with Functional Strength. This ½ hour class places emphasis on strength and toning. Certified instructors teach all classes. Understanding that you may not want to join another fitness facility, we are offering a NEW punch card designed for lunchtime classes. Cards are \$40 for 10 lunchtime visits. Cards must be presented at each class. Questions, please call Pam at 535-1076.
