COVID-19 Health Emergency

If your refund request is from working at home during the Covid-19 Health Emergency your request will be put on hold. The delay in processing this request is due to your working from home, or another location away from your regular place of work because of the COVID-19 Health Emergency. Under Ohio House Bill 197, during the Covid-19 Health Emergency employers were expected to withhold Moraine tax for employees working from home rather than their normal work location within Moraine, regardless of the location of their home. This would be for the duration of the health emergency plus 30 days. A refund of the tax withheld for your pre-COVID-19 work municipality, while you worked from home or another location, may not be available until litigation over this issue is completed. See *Buckeye Institute, et al., v. Columbus City Auditor, et al.*, Franklin County Common Pleas Court Case No. 20-CV-004301. Your 2020 refund request has been placed on hold until this litigation is concluded. Should the conclusion of this litigation determine that a refund is allowed, your request for refund will be processed at that time. Should the conclusion of the litigation determine that a refund is not available to you.
